

March 18, 2020

TO OUR VALUED GUESTS,

As we have seen over recent weeks, the global spread of COVID-19 is impacting us all. Like most, we have been carefully monitoring the progression and have been strictly following the advice of the Canadian public health authorities.

At Mano's, our Guests have always been at the core of what we do and why we do it.

The health and safety of our employees and guests is our top priority. As the virus continues to spread across communities in Saskatchewan and Canada, Mano's Restaurant has made the difficult decision of temporarily closing the restaurant completely. We will reassess the situation at the end of March, and will be posting updates on social media. If you would like to reach someone, please email us at info@manos.ca.

We thank you for your support and wish you all well during this difficult and unprecedented time. We look forward to reopening our doors when it is safe for you and our staff alike. We already can't wait to celebrate your next visit. But in the meantime, stay safe and take care.

All the very best from our families to yours,

Mano's Management
